Resolutions 1-5 of the resolutions put to the meeting passed.

Resolution 6, which was to give the Directors power to issue shares in connection with an election by a debt holder to convert interest payments into shares in respect of the Company's Luxembourg listed EUR 22.5m 10.0% secured notes, has not passed and therefore the Company will not be in a position to issue further shares in lieu of interest payments for the notes. Resolution 7, which was to give the Directors power to issue shares on a non-pre-emptive basis, has also not passed.

James Parsons, Executive Chairman of Coro Energy, commented:

"We appreciate the ongoing support of our shareholders, particularly as we approach such a critical time for the business with the long awaited GSA and potential Duyung farm out / sale. We remain excited about the opportunities that lie before us and look forward to updating shareholders on our progress."
