Successful Philippines WESC Award

Coro Energy PLC, the South East Asian energy company with a natural gas and clean energy portfolio, announces that its application for the Philippines Department of Energy's Wind Energy Service Contract ("WESC") in respect of an area of interest for the onshore Oslob Wind Power Project has now been approved and a WESC formally awarded.

Michael Carrington, Managing Director: Renewables, commented:

"We are delighted with the award of the Wind Energy Service Contract, which is a significant milestone. We will now proceed with the supply and install of a Met Mast. My thanks go to the Philippines Team who have navigated the process to successful completion in securing the WESC."
